International Teaching X International Learning
Teachers' Workshop Spring 2019
國際移動力 X 國際溝通力之英語教學工作坊

For Cambridge, teachers and learners are in the heart of everything we do. Assessments are more than just exams and grades. We bring ***learning, teaching and assessment*** together, and nowadays, it is all the more important, to bring all three into international level. This seminar aims to share how Cambridge Teachers Qualifications and assessment can help teachers and learners confidently achieve that in English teaching and learning.
